Jonathan Awner to Moderate Panel at the 18th Independent Sponsors Summit & Awards

March 4, 2025 to March 5, 2025

The Ritz-Carlton Coconut Grove
3300 SW 27th Avenue
Miami, Florida

Jonathan Awner, Co-Chair of Akerman's Corporate Practice Group, will moderate the keynote panel titled "Deal Flow and Growth: Unlocking Miami-Dade's Investment Potential" at the 18th Independent Sponsors Summit & Awards, presented by iGlobal Forum.

The panel will feature James Kohnstamm, Executive Vice President, Economic Development for Miami-Dade, as he uncovers how the region's dynamic growth is creating prime opportunities for mid-market and lower middle-market M&A activity. This session will spotlight Miami-Dade's high-growth sectors—such as technology, healthcare, and logistics—and provide actionable insights on how independent sponsors and capital providers can capitalize on the region's economic momentum.

Akerman is also a sponsor of this two day event, the go-to platform for independent sponsors and capital providers to connect, network, and share insights on structuring, sourcing, financing, and executing transactions.
