Pedro Freyre and Matthew Aho Author Article on Cuba's Market Reforms in *Daily Business Review*

December 9, 2013

Pedro Freyre, chair of Akerman's International Practice, and Matthew Aho authored an article titled, "One Step Forward, One Step Back For Cuba's Market Reforms," in the *Daily Business Review*, which examines Cuba's economic model. The authors explain that there are myriad ways for Florida's best and brightest legal and business minds to help shift Cuba toward a 21st century mixed market system.
