# James Grice to Moderate Panel at DICE National

May 20, 2025

9:15 am – 10:00 am ET

Northern Virginia

Chair of Akerman’s Data Centers and Digital Infrastructure Practice, James W. Grice, will moderate the panel titled “Data Center Supply Chain, Capacity Planning and Procurement: The Biggest Challenges Impacting Supply Chain, Innovative Solutions to Keep Up with Demand and Building Resiliency,” at the Data Center Investment Conference and Expo (DICE): National, presented by Bisnow. The panel will discuss the significant challenges affecting the data center supply chain, as well as how developers are navigating and rethinking the planning phases of development to address power constraints and the capacity crunch.

Akerman is also a sponsor of DICE National, a three-day summit that will explore key trends, opportunities, and innovations for the next generation of digital infrastructure.
