# James Rogers Named To Top 25 Energy and Natural Resources Attorneys List

April 30, 2025

We are proud to share that *Attorney Intel* has named Akerman Litigation Partner James Rogers to its “Top 25 Energy and Natural Resources Attorneys of 2025.” Attorneys are selected for the list based on their critical role in shaping the legal and regulatory frameworks that govern the oil, gas, and renewables industries, as well as utilities and environmental infrastructure.

James is based in Houston and represents clients in complex commercial litigation, focusing on the industrial and energy sectors, trade secrets, restrictive covenants, unfair competition, insurance coverage, and price redetermination proceedings. He has first-chaired multiple trials and arbitrations in Texas, Florida, Missouri, California, and internationally on behalf of both plaintiffs and defendants. He represents clients in oil and gas, energy, petrochemical, accounting, insurance, aviation, and products liability disputes. In addition, he provides guidance on matters pertaining to the enforcement of commercial security rights, lien litigation, wrongful foreclosures, construction, and asset acquisition disputes.
