# Akerman Named a *Construction Executive* Top 10 Construction Law Firm

June 4, 2025

For the fourth consecutive year, *Construction Executive* magazine recognized Akerman among its “Top 50 Construction Law Firms.” The firm ranked ninth on the national list.

*Construction Executive*, one of the industry’s leading business magazines, based its ranking on survey results from hundreds of U.S. law firms with a construction practice. Data collected included the following from the firm’s construction practice: 2024 revenues; number of attorneys; percentage of the firm’s total revenues; number of states in which the firm is licensed to practice; year in which the construction practice was established; and the number of construction clients served during fiscal year 2024. The ranking was determined by an algorithm that weighted these factors in descending order of importance.
