Law360 Cites Akerman Industry Outlook Survey as CRE Confidence Levels Increase

March 13, 2014

The fifth annual Akerman Real Estate Industry Outlook Survey, which mirrors the perspectives of nearly 300 CEOs, COOs, and other top industry executives who attended the Akerman U.S. Real Estate Summit on Friday, March 7, was reported by *Law360* in an article titled, “Equity Capital, Foreign Investment Brighten RE Market Outlook.” The survey revealed that investor and lender confidence in the U.S. Commercial Real Estate market are reaching new heights since financial giants fell more than five years ago. *Law360* highlighted that growing foreign investment, expanding equity capital, and a robust multifamily market, are helping to driving the upturn.
