Akerman Represents D-Wave Quantum Inc. in \$400 Million ATM Offering

July 1, 2025

Akerman is pleased to announce our Capital Markets team successfully represented D-Wave Quantum Inc., a leader in quantum computing systems, software, and services, in its recent \$400 million at-the-market (ATM) offering. With this latest offering, Akerman has represented D-Wave in transactions totaling \$725 million since May 2024, playing a key role in fueling the company's ambitious growth and groundbreaking work in quantum technology, and underscoring Akerman's ongoing commitment to supporting innovative tech companies.

Each of these transactions showcases Akerman's unmatched experience navigating securities offerings for high-growth and emerging technology companies. Our partnership with D-Wave reflects our commitment to helping clients shape the future — one quantum leap at a time.

The Akerman team representing D-Wave includes [Christina Russo](#), [Tara Jackson](#), [Taylor Jobb](#), and [Amanda Rementeria](#).
