# Akerman Again Named Among *Vault* Law's 100 Most Prestigious Law Firms

July 7, 2025

Akerman is pleased to announce that it has once again been named to the *Vault* Law 100, a ranking of the most prestigious law firms in the United States. The annual list is compiled by Vault from the responses of more than 20,000 law firm associates across the country, who are asked to rate peer firms — excluding their own — on overall reputation and professional stature.

“We are honored to once again be recognized by *Vault* as one of the most prestigious law firms in the nation,” said Scott Meyers, Chairman and CEO of Akerman. “This recognition reflects the strength of our client partnerships, the quality of our work, and the national regard for our lawyers and culture. It also highlights Akerman as a destination for top-tier legal talent — a firm committed to innovation, excellence, and meaningful collaboration.”

The *Vault* recognition adds to a series of recent honors for Akerman. In the past year, the firm has again been ranked by *Chambers USA* and *The Legal 500*, underscoring Akerman's continued leadership across key practice areas and sectors.

With more than 750 lawyers in 25 offices, Akerman continues to grow strategically while preserving its core values of integrity, respect, and fairness, as well as its commitment to professional excellence at the highest level of the profession. The firm's inclusion
