James Grice to Moderate Panel at Datacloud USA

September 16, 2025
4:45 PM – 5:30 PM CT

Austin Marriott Downtown
304 E. Cesar Chavez St.
Austin, TX 78701

Chair of Akerman's Data Centers and Digital Infrastructure Practice, James W. Grice will moderate a panel titled "Fiber and Data Centers: Collaborating to Enhance America's AI Leadership" at the 4th annual Datacloud USA Conference. In this session, industry leaders will discuss how the growth of AI and cloud computing spurring data center demand have led to the need for expanded fiber optic infrastructure to increase connectivity.

Akerman is also a sponsor of Datacloud USA, a leading digital infrastructure event which brings together the U.S. data center, fiber, and energy markets. Attendees include hyperscalers, fiber providers, investors, energy specialists, and infrastructure leaders, providing unrivalled networking opportunities with major players from across the North American market.
