Jordan Cohen to Speak on Health Care's Due Diligence Dilemma: Understanding and Addressing Cybersecurity and Data Privacy Risks in Mergers and Acquisitions

September 16, 2025

2:00 PM – 3:00 PM ET

Virtual Webinar

Akerman Partner Jordan Cohen will be speaking at the American Health Law Association's (AHLA) upcoming webinar, "Health Care's Due Diligence Dilemma: Understanding and Addressing Cybersecurity and Data Privacy Risks in Mergers and Acquisitions." Jordan will co-present with Andrew Mahler, Vice President at Clearwater, as they explore the unique cybersecurity and data privacy challenges facing health care organizations during M&A transactions.

This session will provide practical guidance on:

- Identifying key cybersecurity and privacy risks in health care M&A due diligence
- Strategies for navigating the due diligence process
- Allocating identified risks between buyers and sellers
