Akerman Partner Vivien Krieger to Present on Real Estate Development at Columbia University

October 30, 2025

Columbia University
116th and Broadway
New York, NY

Akerman Partner Vivien Krieger will present on a panel at Columbia University's Real Estate Land Development Engineering course. Vivien will share her extensive experience navigating the complexities of real estate development, from construction management and finance to project management and consulting engineering.

Drawing on her work with clients across the real estate industry, Vivien will provide students with real-world insights into the legal and regulatory challenges that shape New York City's built environment. Her hands-on experience representing clients before city and state agencies, as well as her collaborative work with architects, engineers, and public officials, will offer invaluable perspective to those entering the industry.
