

Event Recap

Akerman Sponsors the 14th Annual Tampa Pig Jig

October 18, 2025

Julian B. Lane Park
1001 N Blvd
Tampa, FL

The Akerman Tampa office proudly sponsored the 14th annual Tampa Pig Jig, a philanthropic event held each fall at Julian B. Lane Riverfront Park. This community favorite and popular festival brings together top local barbecue pitmasters, live well-known trending musical artists, and the community to raise funds for NephCure Kidney International.

The event supports research and treatment for rare kidney diseases like FSGS and Nephrotic Syndrome, making a significant impact by funding clinical trials and helping families affected by these conditions. Akerman is honored to support such a meaningful cause and looks forward to continuing its involvement in this important community event.
