# Media Highlight Akerman for \$35.5 Million Transaction with Juniper Communities

July 31, 2014

Akerman's Corporate and Real Estate Practice Groups recently represented Juniper Communities in its \$35.5 million acquisition of Brookline Village, a senior living community located in State College, Pa. Juniper Communities is a privately held company that owns and operates assisted living, personal care, memory care, independent living and skilled nursing facilities nationwide. *Senior Housing News* and *Senior Care Investor* both reported about Akerman's involvement in the deal.
