David Blum to Speak on “Ask the Experts” Panel at the Illinois CPA Society Annual SALT Conference

January 15, 2026

3:50 PM – 4:50 PM CT

Virtual

Tax Practice Group Chair David Blum will speak on current issues in state taxation at this year’s Illinois CPA Society SALT Conference. David will participate in the “Ask the Experts” panel, which will address administrative issues and case law updates and impacts.

Topics will include the Leveling the Playing Field for Illinois Retailers Occupation Act; recent legislative activity including GILTI, the Finnigan method, pass-through gains, net loss deductions, post-amnesty, investee apportionment, and a potential digital ad tax; and other Chicago-specific issues.

The annual Illinois CPA Society SALT conference offers a dynamic and comprehensive program designed to keep tax professionals ahead of the curve in an ever-changing regulatory environment. The sessions provide timely updates on Illinois legislation, practical strategies for managing multistate tax obligations, and insights into unusual cases and ethical challenges that shape state and local tax practice.
