Akerman Sponsors Florida State University's 2026 Business of Healthcare Summit

February 11, 2026

Augustus B. Turnbull Conference Center
555 W Pensacola St.
Tallahassee, FL

Akerman is proud to sponsor Florida State University's 2026 Business of Healthcare Summit, a premier event uniting leaders and innovators across the healthcare sector. We are especially pleased to recognize Akerman Partner [Philip Sprinkle](#), who has served on the Advisory Board to the Healthcare Summit since its inception in 2024, helping to guide the event's vision and impact.

This year's program will bring together industry partners, faculty, students, alumni, and a diverse network of professionals to address shared challenges and explore forward-thinking solutions. Attendees can look forward to engaging discussions led by distinguished experts on the most pressing issues facing healthcare in Florida and nationwide — including finance, public policy, technology, and workforce development.

With a dynamic agenda, the summit offers invaluable insights and networking opportunities. The event also introduces FSU students to the broad spectrum of career paths available in healthcare, fostering the next generation of industry leaders.
