Jonathan Beckham to Present at PTC'26

January 19, 2026

2:00 PM – 2:45 PM HST

Hilton Hawaiian Village Waikiki Beach Resort
2005 Kalia Road
Honolulu, HI

Akerman Partner Jonathan Beckham will present on the session “The Fabric of Connectivity: Fiber and the Data Center Ecosystem” at PTC'26. This session will discuss the resurgence of demand for dark fiber based upon AI clusters and hubs in both primary and secondary markets throughout the United States, partnerships and collaboration between hyperscale technology firms and suppliers, the influence of sovereign AI in driving investments in networks, and the impact of emerging supply constraints on the marketplace. Jonathan will also present a Lightning Talk session on “Private Financing and Legal Strategies for AI Factories and Edge Markets” on Tuesday, January 20.

Akerman's Data Centers and Digital Infrastructure team will be represented by James W. Grice, Chair of our Data Centers and Digital Infrastructure Practice; Corporate Partners Jonathan A. Beckham and Barbara Edwards; Real Estate Partners Bruce E. ('Eddie') Lowry, Michael D. McKinley, and Thu Pham; and John M. Neary, Co-Chair of our Construction Practice.
