# Akerman Advises Ondas Holdings Inc. in \$1 Billion Offering

January 12, 2026

Akerman represented Ondas Holdings, Inc. (Nasdaq: ONDS), a leading provider of autonomous aerial and ground robot intelligence through its Ondas Autonomous Systems (OAS) business unit and private wireless solutions through Ondas Networks, in its recently completed \$1 billion offering.

Ondas intends to use the net proceeds from the offering for corporate development and strategic growth, including acquisitions, joint ventures, and investments. As a trusted advisor to Ondas across multiple stages of its growth, Akerman continues to play a key role in supporting Ondas' strategic capital markets initiatives.

The offering included 19 million shares of common stock and, in lieu of common stock, pre-funded warrants to purchase up to 41,790,274 shares of common stock (together, Common Stock Equivalents). Each Common Stock Equivalent was sold with a common stock warrant to purchase two shares of common stock. The total number of Common Stock Equivalents sold in the offering was 60,790,274. The Common Stock Equivalents are accompanied by warrants to purchase a total of 121,580,548 shares of common stock, referred to as common stock warrants. Ondas estimates net proceeds from the offering to be approximately \$959.2 million, after deducting placement agent fees and estimated offering expenses. If the common
