Arizona Biltmore
2400 East Missouri Avenue
Phoenix, AZ

Akerman is a proud sponsor of the 2026 Solar + Wind Finance & Investment Summit, presented by Infocast. The summit is a gathering of who's who for phenomenal deal-making and strategizing opportunities to capitalize on today's renewables market.

James Grice, Co-Chair of Akerman's Data Centers and Digital Infrastructure Practice, will moderate a panel titled "Forging Ahead: Developing in New Regions & Overcoming Local Opposition." The panel will discuss best practices for expanding into new markets and how the industry can support one another in overcoming misinformation and opposition to new clean energy projects.
