April 16, 2026

11:30 AM – 2:00 PM ET

New York Marriott Marquis

1535 Broadway

New York, NY

Akerman is honored to sponsor the Citizens Housing & Planning Council (CHPC) 66th Annual Luncheon, gathering New York’s housing and planning community to recognize outstanding leadership and service that strengthen our city’s neighborhoods. We look forward to celebrating with industry leaders and partners who are advancing equitable, resilient housing across New York City.

We congratulate our client Slate Property Group, as well as RiseBoro Community Partnership, on their receipt of the Impact Award for Community Investment for the Baisley Pond Park Residences, an adaptive reuse and affordable housing project that sets a new benchmark for hotel-to-residential conversions in New York City.
