Glen Stankee to Speak on Tax Considerations for Charter Vessel Bonus Depreciation

March 25, 2026

The Ben
251 N Narcissus Avenue
West Palm Beach, FL

Glen Stankee will speak on “Bonus Depreciation of Charter Vessels” at the Superyacht Law Summit, sponsored by the International Yacht Brokers’ Association (IYBA), during the Palm Beach International Boat Show in West Palm Beach, Florida. The Superyacht Law Summit brings together leading legal, tax, and industry professionals to explore current legal and regulatory issues affecting the global superyacht industry.

Glen’s presentation will focus on the evolving tax considerations surrounding bonus depreciation for charter vessels, including practical planning opportunities, compliance challenges, and recent developments impacting yacht owners, operators, and their advisors.

The Palm Beach International Boat Show, one of the world’s premier yachting events, attracts industry leaders from across the globe and serves as a key forum for discussions on legal, financial, and regulatory trends affecting the superyacht market.
