

Speaking Engagements

# Elizabeth Hodge to Speak on Contracting Strategies for Digital Health and Patient Engagement

April 13, 2026

2:45 PM CT

Grand Hyatt Nashville  
1000 Broadway  
Nashville, TN

Elizabeth Hodge will speak at the American Health Law Association’s (AHLA) Healthcare Transactions Conference in a session titled “Transformative Tech Transactions – Contracting Strategies for Embracing Digital Health and Patient Engagement.”

This session will explore the complex legal and operational challenges facing providers as they adopt digital health solutions. The panel will offer practical guidance on navigating regulatory frameworks, structuring technology agreements, and mitigating risk in areas such as remote patient monitoring, interoperability, and artificial intelligence (AI).

Topics will include:

- The legal and regulatory landscape governing remote patient monitoring, interoperability, and AI
- Compliance considerations and risk management strategies for emerging technologies
