# Robert Slavkin to Speak on Navigating the Shift to Value-Based Care

April 30, 2026

4:15 PM CT

Hilton Chicago/Magnificent Mile Suites

198 E Delaware Pl.

Chicago, IL

Robert E. Slavkin will speak at the 17th Annual Advanced Forum on Managed Care Disputes and Litigation in the session titled “Navigating the Shift to Value-Based Care: Opportunities, Risks, and Strategies.”

The program will explore the growing emphasis on value-based care (VBC) models and the challenges payors and providers face as they transition from traditional fee-for-service structures. During the session, Robert will examine the operational, legal, and financial risks associated with VBC arrangements and offer practical strategies for structuring and managing these complex agreements. The discussion will address key issues such as aligning financial incentives, coordinating care delivery, measuring outcomes, and maintaining compliance in an evolving reimbursement environment.

Topics will include:

- The increasing importance of value-based care in managed care and associated risks
