Akerman is proud to sponsor the Little City, Big Dreams Annual Dinner Gala, presented by Little City, an organization that has been a vital source of hope, opportunity, and empowerment for children and adults with intellectual and developmental disabilities for more than sixty years.

This evening of dinner and dancing will celebrate Little City's mission while looking ahead to the bright future of the organization and the individuals and families it serves. The event reflects Little City's continued commitment to helping individuals live safely, work productively, explore creatively, and learn continuously throughout their lives.

We extend our sincere congratulations to Luminary Award recipients Gil and Betty Fergus, whose steadfast dedication and generosity have made a lasting and meaningful impact on the Little City community
