

Speaking Engagements

Ted Rosen to Speak on The 2026 Private Capital Outlook: An Executive Roundtable Part One

May 12, 2026

12:00 PM - 1:00 PM ET

Virtual

Ted Rosen will serve as a speaker on The 2026 Private Capital Outlook: An Executive Roundtable. The decisions facing PE firms, family offices, business owners, and investment bankers in 2026 are anything but straightforward. This two-episode roundtable will examine the forces reshaping deals, capital allocation, and the broader economy.

Episode 1: M&A in 2026: Navigating a Complex World

May 12, 2026 | 12:00 PM ET - 1:00 PM ET

The M&A landscape in 2026 is complex. Experienced buyers, sellers, and advisors are adapting their approach to structure, diligence, and capital strategy in real time. Our panel will share actionable intelligence on where the opportunities lie, and the risks that demand attention.

Episode 2: Thinking Through Uncertainty: Technology, Global Dynamics, and the Private Capital Outlook

May 19, 2026 | 12:00 PM ET - 1:00 PM ET

From the growing role of artificial intelligence to an increasingly complex global landscape, the considerations shaping private capital decisions today are broader than they have been in years. Our panel will offer an assessment of where these forces are creating opportunities, where they're creating exposure, and what sophisticated investors are doing about it.
