Jonathan Robbins Discusses Fast-Growing Medical Cannabis Sector with *U.S. News & World Report*

March 9, 2016

Jonathan Robbins, Akerman's Regulated Substances Task Force Leader, was quoted in a special report by *U.S. News & World Report* titled, "A Glass Half Full," which focused on emerging areas of law. As head of one of the first national legal teams formed to serve clients in the fast-growing cannabis sector, Robbins discussed key trends and legal considerations for entrepreneurs and companies pursuing opportunities in the legal medical cannabis market.
