Akerman Garner's Client Recognition in *Corporate Counsel*

August 21, 2017

As one of only two law firms serving Neuroscience Centers, General Counsel Jennifer Reed touted Akerman in a *Corporate Counsel* profile for its industry knowledge and client service. She explained that she works with Akerman lawyers for non-healthcare matters.

Corporate Counsel wrote, "Reed says she feels 'lucky' to have the support of these firms, adding that the lawyers are familiar with the intricacies of the business and thus 'can quickly be brought into a conversation for a second opinion.'"
