

## Press Release

# Akerman Advises Ondas Inc. on Acquisition of DZYNE Technologies

July 8, 2026

Akerman represented Ondas Inc. (Nasdaq:ONDS), a leading provider of advanced autonomous systems and next-generation defense and security technologies and services, in its acquisition of DZYNE Technologies, LLC, a leading developer of autonomous aerial systems and advanced defense technologies, delivering innovative solutions across intelligence, surveillance, reconnaissance, and counter UAS missions. Under the terms of the transaction, DZYNE shareholders received cash and stock consideration valued at \$875.8 million.

The transaction establishes Ondas as a vanguard autonomous defense platform, uniting complementary capabilities across multi-domain ISR, counter-UAS, autonomous effects, aerial security, precision strike, autonomous logistics, and AI-enabled mission orchestration to rapidly meet the complex, evolving requirements of modern warfare.

The Akerman team advising Ondas was led by Corporate Practice Group Co-Chair [Christina Russo](#), Corporate Practice Group Partners [David Birke](#) and [Matthew Hendy](#), and Corporate Practice Group Associates [Taylor Jobb](#) and [Nicolas Maetta](#), and included key support across the firm's national platform from:

- [Brian Bianco](#), Chair, Intellectual Property Practice Group
