Akerman is proud to serve as a sponsor of the Urban Land Institute (ULI) Fall Meeting. This conference is an exceptional forum that brings together industry leaders, innovators, and decision-makers to explore the future of the built environment.

As part of our continued commitment to this community, Akerman will host the welcome reception on October 26, the opening day of the conference, providing a meaningful opportunity for attendees to connect and engage.

We invite you to join us in networking with Akerman partners across a range of real estate sectors who will be attending both the conference and the reception. This is a unique opportunity to deepen connections, gain insights, and engage with peers shaping the industry.

Conference and reception attendees will have the opportunity to meet and network with the following Akerman attorneys, who are actively involved in ULI membership, advisory boards, councils, and leadership programs:

- [Neisen Kasdin](#) – Governor and Trustee
