Akerman Sponsors 2026 Move It With Purpose Event

September 1, 2026 to September 30, 2026

Akerman is a sponsor of the 2026 Move It With Purpose event, presented by Bridge of Life (BOL), an international nonprofit organization founded by DaVita Kidney Care. Through this initiative, participants who walk, run, or cycle help advance global healthcare efforts while fostering meaningful community engagement and promoting overall well-being. This annual event has helped BOL partner with local healthcare providers around the world to launch sustainable dialysis programs, train healthcare providers and caregivers, and conduct community health screenings that expand access to life-changing care in underserved regions.

Akerman's Real Estate Practice Group Co-Deputy Chair [Allison Nelson](#), Labor and Employment Deputy Chair [Marissa Alguire](#), and Real Estate Partner [Spencer Malley](#) are proud to support BOL as they work to transform kidney care worldwide. This year, BOL will also mark an important milestone with their 20th Anniversary Celebration on October 6, bringing together leaders, partners, and champions of the organization to celebration two decades of global impact.
