

Community Event

Akerman Sponsors + POOL Annual Summer Pool Party

September 14, 2026

6:00 PM – 9:00 PM ET

Indigo Hotel, Mr. Purple

180 Orchard Street

New York, NY

Akerman is proud to sponsor + POOL's annual Summer Pool Party fundraiser, an evening of music, skyline views, and community support for an innovative civic project dedicated to reconnecting New Yorkers with the water that surrounds them.

We are pleased to support + POOL's mission to expand access to clean, safe swimming in New York City while advancing free learn-to-swim and environmental education programs. Proceeds from the event will help + POOL continue moving from vision to reality as it prepares for public operations and the opening of New York City's first water-filtering floating pool.

The event also offers an opportunity to connect with Akerman attorneys from our Land Use and Zoning, Real Estate, and related practices, including Vivien Krieger, who serves on + POOL's Board of Directors and plays an important role in supporting the organization's continued growth and impact.
