Akerman is honored to support Nicklaus Children's Hospital and its 2026 Diamond Ball, an inspiring evening dedicated to advancing pediatric healthcare and improving the lives of children and families throughout our community.

This signature fundraising event brings together community leaders, advocates, and supporters to celebrate the hospital's extraordinary impact while helping fund innovative programs, groundbreaking research, and exceptional patient care. The evening will also showcase the hospital's transformational Forward for Generations campaign, its most ambitious initiative to date, focused on creating a healthier future for children for generations to come.

We are proud to stand alongside Nicklaus Children's Hospital in support of its mission and the dedicated healthcare professionals who make a difference every day.
