Webinar

Amy Moor Gaylord, Co-Chair of Akerman's Traditional Labor Law Practice, will speak on a CeriFi LegalEdge webinar titled "Control Without Control: When Shared Operations Create Shared Liability in Joint Employer Dispute." The webinar will offer practical legal guidance on the evolving joint employer doctrine and its implications for employers that use staffing agencies, subcontractors, franchise relationships, and other shared workforce arrangements. The program will examine legal standards under the NLRA, FLSA, Title VII, and other employment laws; explore operational practices, contractual relationships, and workplace control factors that may increase joint employer risk; and provide strategies for structuring business relationships and compliance measures to help minimize liability while maintaining lawful operational oversight.
