Akerman Sponsors the FAHP Annual Conference

October 12, 2026 to October 14, 2026

JW Marriott Orlando Bonnet Creek
14900 Chelonia Parkway
Orlando, FL

Akerman is proud to sponsor CONNECT 2026, the Florida Association of Health Plans (FAHP) Annual Conference. The event brings together health plan leaders, policymakers, regulators, and industry innovators from across Florida to discuss the challenges and opportunities facing the state's health care system.

This year's program covers the issues that matter most to health plans and the members they serve, including policy developments, market dynamics, affordability, access to care, and the member and patient experience. Attendees will hear from keynote speakers, take part in panel discussions and roundtables, and connect with peers working to improve health outcomes for Florida's diverse and growing population.
