Akerman Co-Hosts UVC Climate Tech Enterprise Partnerships Panel

September 22, 2026

3:00 PM – 5:00 PM ET

New York, NY

Akerman will co-host the UVC Climate Tech Enterprise Partnerships Panel in New York. The featured session, “Tools in the Clean Tech Investing Toolkit,” will explore how venture investors, public finance professionals, and diligence experts evaluate, de-risk, and support innovative climate technology companies. The program will conclude with networking among climate tech founders, investors, corporate innovation leaders, and ecosystem partners.
