Akerman Sponsors the 15th Annual Tampa Pig Jig

October 17, 2026

Julian B. Lane Riverfront Park
1001 North Blvd.
Tampa, FL

The Akerman Tampa office is proud to sponsor this year's Tampa Pig Jig, a longstanding community tradition that brings together business leaders, barbecue enthusiasts, and local supporters to raise funds for pancreatic cancer research. Through this sponsorship, Akerman is honored to support an event that unites the Tampa Bay community while advancing research and awareness for a disease that impacts countless individuals and families.

Celebrating its 15th year, the Tampa Pig Jig will feature a nationally recognized lineup of performers, including Thomas Rhett, Midland, Kameron Marlowe, Sister Hazel, and Cassidy Daniels. In addition to the live entertainment, the event's renowned corporate barbecue competition will showcase teams competing for top honors while supporting a meaningful charitable mission. The combination of entertainment, philanthropy, and friendly competition continues to make the Tampa Pig Jig one of the Tampa Bay area's most anticipated annual events.
