Akerman Lawyers Ranked in New York Metro by *Super Lawyers Magazine*

October 20, 2026

Super Lawyers Magazine recognized 26 Akerman attorneys in its 2026 issue, spotlighting many of New York Metro’s leading practitioners. The honors include 14 lawyers named “Super Lawyers” and 12 named “Rising Stars” — a designation reserved for lawyers who are 40 years or younger or in practice for 10 years or fewer.

Notably, Intellectual Property Practice Group Partner Marc A. Lieberstein was named to the “Top 100: 2026 New York Metro Super Lawyers” — a distinction reserved for those who scored highest among 12 indicators of peer recognition and professional achievement as part of the publication’s rigorous selection process.

These New York Metro rankings follow recent Akerman lawyer recognitions in Colorado, Florida, Texas, California, and Illinois.

Akerman lawyers recognized in the 2026 edition, and their honored practice areas, include:
