Akerman Receives Legal Services of Greater Miami's 2026 Equal Justice Pro Bono Law Firm Award

November 9, 2026

Legal Services of Greater Miami has recognized Akerman with its 2026 Equal Justice Pro Bono Law Firm Award, presented at the organization's annual Pro Bono Awards Celebration on October 28, 2026.

The award honors Akerman's outstanding pro bono work over the past year, which spanned a range of matters, including discharge upgrades for veterans and representation of individuals in small claims court. Through these efforts, Akerman attorneys helped Miami-area residents who would otherwise lack access to counsel navigate the legal system and secure meaningful outcomes.

The recognition reflects Akerman's longstanding commitment to partnering with legal services organizations to expand access to justice for vulnerable communities and those in need.
