November 17, 2015

The *Daily Business Review* named Akerman a winner of its third annual “Litigation Departments of the Year” award, which recognizes regional and national law firms with powerhouse practices in Florida. The firm was once again the sole recipient in the Intellectual Property – Big Firms category and was featured in an article titled, “Akerman’s Trademark Infringement Win Helps Rapper.” The article quoted [Mark Passler](#), co-chair of the firm’s Intellectual Property Practice Group, and [David Brafman](#), who led the Akerman teams representing B Hotel Group LLC and rap artist Logic in two successful trademark infringement lawsuits.

The intellectual property team was honored at an awards ceremony on November 17 at the JW Marriott Miami.

“Our team tries to find strategic ways to end a case quickly. Ultimately, it’s in the best interest of the client,” said Brafman.
