Akerman U.S. Real Estate Industry Outlook Survey Featured in *World Property Journal*

June 4, 2015

In a report titled, “Global Capital Chasing U.S. Commercial Assets with Greater Appetite,” *World Property Journal* provided an overview of national real estate financing and development trends, based on new findings from the Akerman U.S. Real Estate Industry Outlook Survey. From renewed executive confidence to the rise of institutional capital and alternative financing sources, Akerman lawyers included in the report offered insights on the continuing growth of U.S. real estate, among many other topics. *World Property Journal* quoted [Richard Bezold](#), Real Estate Practice Group Chair; [Cecelia Bonifay](#), Land Use & Sustainable Development Practice Chair; [Neisen Kasdin](#), a land use lawyer and Miami Office Managing Partner; [Steven Polivy](#), Economic Development & Incentives Practice Chair and New York Office Managing Partner; [Beppy Owen](#), Senior Living Facilities Practice Co-Chair; [Eric Rapkin](#), a transactional real estate lawyer and the Fort Lauderdale Office Managing Partner; and [Andrew Berman](#), a partner in the Real Estate Practice Group.
