Akerman Announces Guide to Doing Business in Florida

March 31, 2016

Akerman has published an updated version of its Guide to Doing Business in Florida. The 2016 Guide provides a general introduction to topics of interest to businesses and individuals, both domestic and international, who wish to conduct business in the state of Florida. The Guide covers, among other topics, the regulation of business in Florida, labor and employment, trade regulation, immigration reform, taxation, real estate transactions, dispute resolution and healthcare.
