Richard Pinsky Provides *Law360* with 2018 Outlook on Florida Legislation And Regulation

January 1, 2018

Public Policy Manager Richard Pinsky was quoted in a *Law360* report titled, “Florida Legislation and Regulation to Watch in 2018,” outlining areas of focus for the Florida legislature ahead of the mid-term elections. Pinsky discussed with the publication which legislative goals state lawmakers may pursue, including for the medical marijuana and healthcare sectors, both of which may experience significant regulatory shifts at the state and federal level.
