Federal tax reform will escalate the cost of living in New York, Connecticut, New Jersey, and Illinois, among other states. As taxpayers examine their options, revenue-starved states are intensifying investigations of former residents attempting to change domicile for tax purposes.

Join us for our 2018 residency breakfast briefing series in West Palm Beach, Miami, and Naples hosted by Akerman, the largest law firm in Florida, and the national accounting firm of WithumSmith+Brown. Our program will address:

- Best Practices to Establish Florida Residency in the Current Enforcement Climate
