“Our top-five ranking reflects Akerman’s formidable team of commercial real estate lawyers providing legal services to clients in major U.S. markets and across the Americas,” said Richard Bezold, chair of Akerman’s Real Estate Practice Group. “We are known for advising clients in complex real estate transactions and disputes, as well as in large-scale development projects. With a major presence in key markets where our clients need us the most, we remain committed to delivering our services in new ways that provide even greater value as part of the Akerman Client Experience.”

*Law360*’s Real Estate 100 list is based on partner headcount data from 300 U.S.-based law firms, including the largest 200 firms in the country. Lawyers are evaluated based on the size of their practice in the areas of real estate dispositions and acquisitions, development and construction, finance, litigation, tax, REITs, zoning and land use.
