Matthew Steinberg Authors *HR People + Strategy* Article on Workplace Harassment Outlook

February 20, 2018

WorkedUp podcast creator and host Matthew Steinberg authored an article for *HR People + Strategy* titled, “Workplace Harassment, Discrimination at Tipping Point.” Following his interview with EEOC Commissioner Chai Feldblum, Steinberg outlined some of the most critical considerations employers should account for when it comes to workplace harassment and discrimination. Those include best practices to deal with top Hollywood or corporate officers facing harassment allegations (so-called “superstar harassers”) and establishing a culture that prevents any such misconduct, including discrimination based on age, gender identity and sex. Rebecca Barrett also contributed to the article.
