John Wood to Speak on Medical Facilities and Deal Structuring

Presented by the Corporate Realty, Design & Management Institute

September 24, 2014

3:45 PM - 4:30 PM UTC

Vivian and Seymour Milstein Family Heart Center
NY-Presbyterian Hospital
173 Fort Washington Avenue
New York, NY

John B. Wood will participate in a panel titled “The Healthcare Design/Construction Challenge: Adapting Healthcare’s New Retail Delivery Model to New York’s Unique Real Estate Market” as part of the NYC: Hospital & Medical Facilities Summit. The panelists will discuss the challenges of creating outpatient centers in New York City’s dense urban environment. Topics will include innovative solutions to repurposing existing retail sites as opposed to the cost effectiveness of a demolition.
