Healthcare Reform Primer for Employers

Presented by Akerman's Healthcare Practice Group in partnership with Colonial Life, and MDW Insurance Group

June 19, 2013

7:30 AM - 9:30 AM UTC

Hilton Boca Raton Suites
7920 Glades Road
Boca Raton, FL

Beth Alcalde and Leslie Carlet, Director of Employee Benefits at MDW Insurance Group, will be speaking on healthcare reform at an upcoming breakfast seminar. The seminar will provide practical tips for business owners and human resource professionals preparing for healthcare reform obligations that take effect in 2014. The program will cover best practices from both a legal compliance and brokerage perspective and will offer the latest guidance on topics such as counting full-time employees, revising eligibility and design provisions, implementing new waiting period restrictions, reporting to the government, and more.
