Neisen Kasdin Discusses Miami Office Innovations with *Daily Business Review*

March 15, 2018

Miami Office Managing Partner Neisen Kasdin discussed with *Daily Business Review* how Akerman's largest office has applied forward-thinking design concepts to create a competitive advantage for the firm and its clients. In a report titled, "Law Firms Offices in South Florida in for an Overhaul, Study Says," the publication referenced Akerman's Miami office as a model for efficiency and flexibility to enhance greater collaboration among lawyers to meet clients' speed, cost and quality considerations. Kasdin highlighted the central elements of the Miami office at Swire Properties' Three Brickell City Centre, including uniformly sized offices and floor-to-ceiling glass walls — an innovative model which law firms of size and distinction globally have adopted.
