Breakfast Briefing: Hot Topics and Best Practices in Employment and Benefits Law When Doing Business in California

Presented by Akerman's Akerman's Labor & Employment and Tax Practice Groups

July 11, 2017

8:00 AM – 9:30 AM UTC

Akerman LLP
601 West Fifth Street
Suite 300
Los Angeles, CA

This program will be of interest to California employers, companies new to the state or contemplating setting up operations there. With complex state laws and dramatic rollbacks in regulations at the federal level, Beth Alcalde, Leanne Reagan, and Rachel C. Schumacher will address questions and a range of topics, including what happens at the intersection of California and federal law.

The briefing will cover:

- ERISA-governed employee benefit plans
- Workplace regulations on drug testing, wage withholding, and telehealth
- Key wage and hour laws and best practices for navigating them in California
- The ongoing healthcare reform effort

Related People
