Presented by the Mortgage Bankers Association

8:00 AM – 4:30 PM UTC

Hyatt Regency Chicago

Thomas Kearney will be a featured panelist at the Mortgage Bankers Association Chicago HMDA Implementation Workshop. His panel, “Data Point Overview,” is one of many that will discuss the new Home Mortgage Disclosure Act (HMDA) rule. This extensive Rule, finalized by the Consumer Financial Protection Bureau (CFPB) in October 2015, changes the types of transactions subject to the rule and the types of entities, especially non-banks, required to report; requires the reporting of numerous new data points on borrowers and their mortgages while modifying many others; and changes the format and tools used for reporting.
