May 8-9, 2018

Ernest N. Morial Convention Center
900 Convention Center Boulevard
New Orleans, LA

Akerman is sponsoring NCBA's legal education program entitled The Cannabis Law Session. The presentation will mirror MJBizConNEXT's focus, namely the emerging issues that shape the industry as additional state-regulated legal systems come online. The Cannabis Law Session will cover, among other relevant topics, corporate growth, governance, issues arising under international law and commerce, government relations on both local and federal levels, ethics, and a special panel dedicated to discussing the most cutting edge theories and practices in cannabis law today.
